

## "READING IS MAGIC" BOOK WEEK

Our "Reading is Magic" Book Week parade was pure enchantment! Every student wowed us, dressing up as their favourite book characters, bringing stories to life in such a creative and vibrant way. Our staff took on the challenge too, weaving the spirit of "Mary Poppins" into every part of the celebration.

A heartfelt thank you to the parents who joined the fun and helped make the day even more memorable with a surprise flash mob! It was an incredible day that truly celebrated the magic of reading, and we couldn't have done it without the support of our amazing community!

## COLLABORATION IN ACTION: BUSBY PUBLIC SCHOOL'S VISIT

We were thrilled to host Busby Public School as part of the Owl Buddy Project, an initiative designed to promote the social and emotional domain within our High Potential and Gifted Education (HPGE) program. This special visit showcased how schools can work together to foster growth, connection, and learning. Students from Busby immersed themselves in a variety of engaging activities including fishing, tennis and a bush walk. Workshop scenarios in our hall focused on teamwork and resilience. It was a day filled with laughter, learning, and lasting friendships. The Owl Buddy Project continues to be a shining example of how we nurture not only academic potential but also the importance of emotional well-being and collaboration. Thank you to everyone involved in this memorable experience!
