It was lovely to see so many families attend the Science Night last week. Children and parents alike experienced a range of activities. Congratulations to the members of Science Club. Your investigations covered a range of topics and you were all very knowledgeable about the topic you researched. Thank you to Mrs Begg for organising this event for our school. Also, a huge shout out to Mr Begg for all his construction work and for giving up his time to supervise the painting pendulum.

Sports Report

On Friday the 16th of June the senior wonnie girls played Bundeena. We won 11-2 and we are still undefeated. Isabella did some excellent shooting, Tahmea did some great attacking. Even though we had a bit of a rough game and some people were pushed over by players by accident. We had an awesome time and had fun. The girl of the game goes to Ava for really trying hard and for really putting in an effort when she received the ball.

On Friday the 16th of June the junior wonnie girls played Bundeena and drew. Jessie was a great shooter and Mya played well in defence. Ava W tried her best, Matilda was always there and Paige played well in the centre and as shooter. Claire was good in her position, Sarah did some great catches and everyone tried their hardest. The girl of the game goes to Mya for being a great Goal Keeper. Good Games Girls
