Friday 15 th June	Karen's Farewell 2.30pm PSSA Round 7

Week 8

Monday 18 th June	Gymnastics P&C Meeting 7pm
Tuesday 19 th June	Athletics Carnival

Book Fair

Thank you to all families for supporting our school by making purchases at the Book Fair. WRPS has received approximately \$600 worth of books, equating to 45 new books in our school library.

School Photos

Many parents are eagerly awaiting the arrival of school photos. We have heard from the photography company this week and good news our school photos will be arriving in the coming week.

Athletics Carnival

Our school athletics carnival is being held on Tuesday June 19 (Week 8) at The Ridge Athletics Track. This year we are seeking parent volunteers to assist with the running of the day. If you would like to assist us at the carnival you must have completed the Working With Children Check at the school office. Notes have been sent home this week with more details about the event. In the event that the weather is not kind to us, we will notify families via SMS the morning of the event.

Zone Cross Country

Congratulations to our Zone Cross country team who represented our school in the event on Monday at Miranda Park. All participants should be proud of their efforts, they did an amazing job at representing our school.

Cupcake Day

Our cupcake day was a huge success yesterday. Many thanks to the mums, who baked, assisted with the serving and student decorating. These events are very important for our students and a great way to raise money for school equipment. I also appreciate the extra effort staff put in by icing the cupcakes. The smiles on the students' faces were amazing!

Science Night

Family Science Night is coming up in week 9, Thursday 28 June. This is a family favourite on our school calendar. Science Club students are looking forward to the evening and are busily preparing their projects for the display. Come along with your family to participate in a number of experiments. Remember to get your passports stamped to go in the draw for a prize!

P&C will be holding a sausage sizzle and cake stall on the evening. We hope you can make it.

SSSMF Ticket Reminder

Our school is participating in the Sutherland Shire Music Festival at the Sutherland Entertainment Centre in August. Tickets for our schools concerts are on sale, Friday 8 June. To order and purchase tickets, go to: <http://www.suthentcent.com.au> and then select the "Sutherland Shire Schools Music Festival" link. It is **very important** that you select the correct concert/s.

Group/s	Concert/s	Performance Date	Tickets on sale from
Junior Choir (Year 2) K-2 Dance Group	Concert 6	7pm Monday 20 August	Friday 8 June
Senior Choir (Years 3-6) 3-6 Dance Group	Concert 9	7pm, Thursday 23 August	Friday 8 June

Camp

This year for our stage 3 camp we visited Point Wolstoncroft for 4 nights. We started each day at 7am and finished our last activity at around 9pm. Some of our duties included setting up and clearing the tables and using a mega dishwasher. We enjoyed lots of yummy food and fun enjoyable activities to get us through the day.

Some of the fun activities that we participated in included, the giant swing, damper, orienteering, high ropes, kayaking, archery, initiatives, fishing, rock climbing, BMX riding, free time and the wombat hole. At night we did activities such as hungry hippo, dead ants and a trivia night.

We would like to say a thank you to Mr Westwood, Mrs Courtney, Mrs Begg, all the guides at the camp and finally our parents who paid for us to all go on this wonderful camp.

5/6N

Responsible Pet Ownership Program

In week 5, Kindergarten & Year 1 students had a visit from Christine & her lovely dog Winnie. The incursion was a part of the Responsible Pet Ownership Education program that aims to teach students:

- when dogs should be left alone
- things we should not do to dogs
- how you can tell if a dog is happy, frightened or scared
- a safe way to approach and greet a dog
- what to do if approached by an unknown or aggressive dog

The visit was enjoyable for all our students who will now feel more confident when interacting with dogs and caring for pets. For more information about the program, please visit the Responsible Pet Ownership website at <http://www.pets.nsw.gov.au/>

1E is All Mixed Up!

This term, 1E have been learning about mixture in our science unit "All Mixed Up". They are learning about materials that don't mix well, and others that are difficult to separate. They have learnt how to safely experiment with different materials and got a little dirty in the process! They are learning how to report on the information they have observed and are all becoming great little scientists. They are making observations in their books and filling our word wall with a range of new and interesting words. The students can't wait to make their favourite mixture, slime!
